DJ - Producer

**LE PEDRE is a French Dj/Producer renowned for blending electro and rock. Thanks to this genre, LE PEDRE and his guitare are now playing among the biggest French festivals such as Les Plages Electroniques, the Delta Festival, the Inox Park Festival or the Liberté Plage Festival. These opportunities gave him access to share stages with DJ SNAKE, KUNGS, LOST FREQUENCIES, TUJAMO, VLADIMIR CAUCHEMAR, BAKER-MAT, SYNAPSON, MOME and many others.**

**After his debut with “Bang Bang” on Universal Music, LE PEDRE revealed himself with official remixes of big artists such as LOST FREQUENCIES or FEDER. The quality of his work attracted some of the biggest names in the electro world and now, one of his latest work is a French/Italian collab with VINAÏ “I Was Made”.**

**The track was released on Spinnin Records and was, after only 1 week, already playlisted on many radios across the world. In France NRJ and FUN RADIO play it nationally on a daily basis. Since then he released multiple tracks on labels such as Spinnin Records Found Frequencies and Universal Music France. His latest single Gimme Gimme Gimme is smoothly growing in every dance charts.**

**LE PEDRE has now become one of the hot topics of this year. With beast like shows overflowing from energies inherited from rock n’ roll and futures releases scheduled on Spinnin Records, he is steadily growing in the electro world.**
